Rules and Regulations

Title 18—CONSERVATION OF POWER AND WATER RESOURCES

Chapter I—Federal Power Commission

[Docket No. R-307; Order 325]

MISCELLANEOUS AMENDMENTS TO CHAPTER

AUGUST 2, 1966.

Accounting for fees paid pursuant to Part 159 by natural gas pipeline companies in connection with certificate and other applications; Docket No. R-307.

Following a formal rulemaking proceeding initiated by a notice of proposed rulemaking in Docket No. R-282, the Commission, on January 5, 1966, issued Order No. 317 in which it promulgated Part 159 of its regulations under the Natural Gas Act prescribing fees to be paid by natural gas pipeline companies in connection with applications for certificates and certain other authorizations. 35 FPC ----, 31 F.R. 430, 18 CFR Part 159.

Although the regulation thus promulgated prescribed, in § 159.4, the accounting treatment to be followed in recording the fees, the order did not amend the specific accounts in the Uniform System of Accounts which were directed to be used. Consequently, we are now incorporating the accounting treatment there prescribed as a new Gas Plant Instruction in the system of accounts and revising the texts of the particular accounts involved in this matter to reflect the accounting treatment prescribed with respect to these fees.

The Commission finds:

(1) It is necessary and appropriate for the administration of the Natural Gas Act that the amendments set forth in this order be made to the Uniform System of Accounts Prescribed for Natural Gas Companies of all classes.

(2) Since the amendments herein prescribe accounting treatment of fees established after notice and opportunity to be heard, further notice under section 4 of the Administrative Procedure Act is unnecessary.

The Commission, acting pursuant to the authority of the Natural Gas Act, as amended, particularly sections 8 and 16 thereof (52 Stat. 825, 830; 15 U.S.C. 717g, 717o), orders:
